

**AMBASSADOR BUILDING, EMBASSY GARDENS,  
£675,000**

A one bedroom apartment with a huge terrace of over 330 sq ft, giving the property a total area of over 880 sq ft, available as an off-plan investment purchase in The Ambassador Building, Embassy Gardens, for completion this summer.

Designed to the highest specification, the apartment boasts high ceilings, walnut parquet flooring, private terrace, comfort cooling and abundant natural light reminiscent of a Manhattan loft apartment. Located on the banks of the Thames and near London's cultural South bank, residents will not only enjoy a wealth of the Capital's finest attractions and amenities practically on their doorstep but also premium residents facilities including an exclusive private club and health spa, which is set to rival the best international hotels in the world.
