

Gee Lane, Winton, M30 8WH

£595 Per calendar month

Well shall I gee you up for Gee Lane, okay then. Gee Lane is a characterful cottage style property with a charm and a cosy feel throughout with hints of days gone by as you wander around the property. The living / dining area is a good size with stone flooring throughout, ideal for snuggling up of an evening, the kitchen is a useful size (housing an oven and a hob) whilst the utility room (yes you actually get a utility room) has the washer and a fridge freezer, you will also find downstairs a well sized bathroom and a separate shower area. Upstairs you have two nice bright bedrooms with the master having feature fireplace. Outside you have off road parking and a rear garden which will come in useful now that the evenings are getting a little lighter and warmer. Location wise you are placed well, almost within reach of the sought after Worsley Village and only a few moments away from the up and coming bustling Monton Village. If you need your high street fix then Eccles Town Centre is close at hand for all of your daily needs. If you need to travel then you have some good options with the M602 and the M60 not too far away, along with a number of buses serving the area. This is a perfect house for someone looking for a home. AVAILABLE BEGINNING OF APRIL! * FEES APPLICABLE PLEASE CONTACT THE OFFICE *
