Charming Victorian mid terraced cottage which requires complete modernisation and refurbishment. The accommodation comprises: Lounge with open fireplace, kitchen and two bedrooms. N.B. There is no bathroom in the property and the toilet is located in an outhouse in a courtyard to the rear of the house.

The rear garden is approximately 125' from the rear of the outhouse to the rear boundary. The side boundaries are less clearly defined as the gardens of these cottages have been open plan for many years. The assumption is that the garden will be the width of the cottage.

The property is located close to the village centre which offers a good range of local shops and restaurants. The railway station which is on the Cambridge to Liverpool St. line is less than a mile away. EPC Band G.
