

Offered to the market with no onward chain, this exciting three bedroom end of terrace home has been newly renovated to an impressive, high end finish.

The attention to detail is clearly visible when inspecting the property, with a newly installed grand marble fireplace, solid oak flooring in the reception and hallway, Viileroy & Boch fittings, Bosch appliances, natural stone work surface, the list goes on!

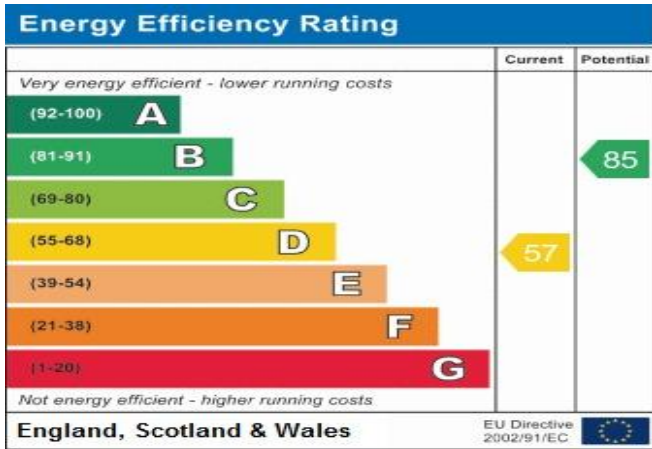

Charming in appearance with it's mock Tudor style and perfectly pruned hedges, there is also ample off street parking provided. There is also a newly landscaped garden with freshly laid lawn and red stone slab pathway leading to a paved patio at the rear of the garden.

The location is an exciting one with Eltham High Street less than a mile away. The High Street has recently been granted funds and currently undergoing a massive regeneration project, complete with a brand new state of the art cinema with sky bar and restaurants.

A great home for buyers who want and come to expect quality.

Take a look, you will not be disappointed.
