

POTTERY LANE, HOLLAND PARK

£3,500,000

A truly spectacular interior designed house with superb lateral entertaining space, two large bedroom suites, media room and garage, set in one of Holland Parks most desirable locations. This architecturally designed double fronted property offering modern lateral style living over three floors is located in this sought-after and very quiet Holland Park location just a few steps from the restaurants and boutiques of Clarendon Cross and Holland Park Avenue. The property has been the subject of a meticulous refurbishment which took the building back to the brick and the result is in effect a brand new, beautifully interior designed property with a period Victorian faade. Planning approval has also been granted for the addition of a roof terrace to the property. Accommodation comprises wonderfully large kitchen/family room with dining area and media room on the lower ground floor, a stunning 24 foot long reception room and garage on the ground floor, master bedroom suite with bathroom and dressing room plus second double bedroom with en-suite shower room on the first floor. Pottery Lane is located moments from the stunning Clarendon Cross and a short walk from all the amenities, boutiques, restaurants and transport links of Holland Park Avenue.
