

We are pleased to be involved in the marketing of this three bedroom semi detached house with a garage to side situated in heart of Chislehurst, on a lovely tree lined residential road.

Just 0.3 of a mile to the centre of the High Street and 0.5 of a mile to the popular Edgebury School. The property accommodation to the ground floor includes a kitchen/dining room with patio doors to garden and a lounge to the front with a feature fireplace. To the first floor there one single and two double bedrooms and a family bathroom.

The property lends itself to extension in various ways, subject to the necessary planning permission. A pretty house in need of some updating it has the benefit of a good size driveway leading to the large garage. Set back off the road there is a wall and bushes surrounding the property making it feel really private. The garden to the rear is triangular in shape.

Early viewing recommended.
