

We offer to the market this lovely three DOUBLE bedroom(plus study/nursery) semi detached house, which has been very well maintained and is just 0.9 of a mile from Elmstead Woods station and close to good schools. When you enter into the hallway you have wonderful views of the garden beyond, which we will come back to later. There is a new staircase with oak and glass making the best of the light and the lounge/sitting room to the front of the house has a bay window and feature fireplace.

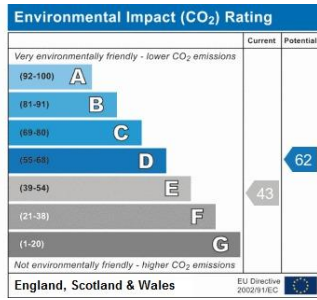

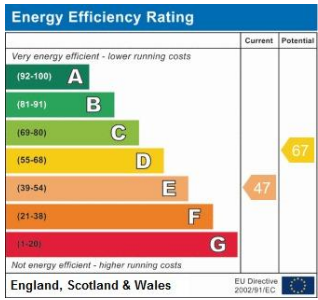

The dining room has double doors into the large conservatory over looking that garden and the galley kitchen is fully fitted with cream wall and base units, which are topped off with butcher's style worktops. To the first floor there are two double bedrooms and these are serviced by a family shower room. There is also a useful study/workroom/nursery.

To the second floor there is the master bedroom and this room has the benefit of an ensuite bathroom.

Outside there is a garden to the front with a brick paved driveway, a side gate which leads you through to the rear garden, and that is a sight to behold. It has a lovely paved patio and laid to lawn with an abundance of plants and flowers surrounding the grass. It is a lovely haven to sit in the sunshine.

Viewing is highly recommended.
