

Situated on the ever popular Kingsway in Petts Wood East is this deceptively spacious, three double bedroom semi detached home. The proximity to Petts Wood station, serving several London termini, as well as the delightful southerly facing garden makes this home a must see.

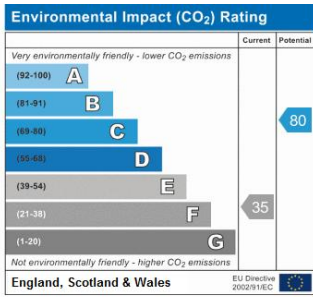

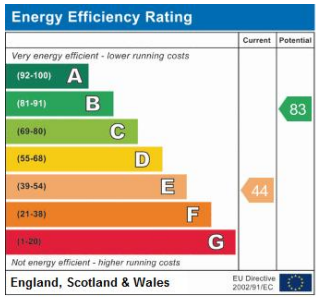

The accommodation comprises a welcoming hallway leading to the lounge with gas fireplace. The open plan kitchen/diner with handmade oak units, Amtico flooring and granite work tops can be found to the rear along with the conservatory overlooking the garden.

To the first floor are three double bedrooms all benefitting from fitted wardrobes. The modern family bathroom with shower cubicle and a separate toilet can also be found to the first floor.

To the rear is the aforementioned southerly facing garden which is mainly laid to lawn. To the front is off street parking and a single garage.

Internal viewing is essential and comes highly recommended.
