

Stunningly presented extended four bedroom detached property, located in a prime location. Well positioned for access to both Petts Wood and St Mary Cray mainline stations as well as bus routes and local amenities.

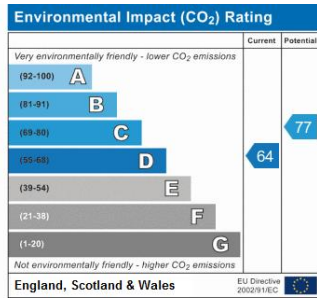

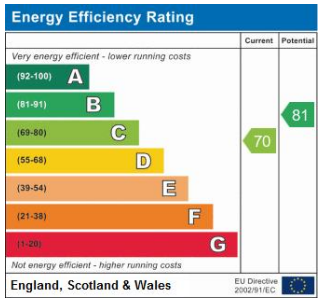

The lower floor hallway is splendidly presented and provides access to the large living room featuring a decorative gas fire. The structural archway opens out on to the well proportioned dining room. The large bespoke conservatory wraps round the rear of the property connecting the dining room to kitchen/diner. The fourth bedroom is located on the lower floor at the front of the property.

To the upper level are three good sized double bedrooms and family bathroom. The master bedroom features an en-suite and built in wardrobes.

The rear of the property offers a well maintained courtyard style garden also providing access to the garage which opens on to Sherbourne Road. To the front of the property is a large winding driveway offering ample parking off street parking.
