

Full Description

Situated in the extremely popular Crest View Drive is the deceptively spacious, extended four bedroom semi detached home. The property is ideally located for Petts Wood mainline station serving several London termini. An array of well regarding schools including Crofton Primary and St James RC can also be found locally.

The accommodation comprises lounge with delightful bay window to front, cloakroom and the superb kitchen diner/family room which has benefited from an impressive extension. The modern kitchen was fitted in September 2015 with the space offering both a dining and sofa/TV area as well as bi-folding doors overlooking the garden.

To the first floor is the master bedroom with ensuite shower room, two further bedrooms and the family bathroom. The original loft space has been converted to provide a further double bedroom/games room.

To the rear of the property is the mainly laid to lawn garden and a summer house which has power and wired Internet. To the front is off street parking.

Internal viewing is essential to fully appreciated the location and quality of this family home.
