

A fabulous family home with versatile living accommodation, this property has been refurbished to a very high specification and is offered to the market in a very stylish design. There is a bedroom/family room/playroom/office on one side of the hallway along with a contemporary downstairs shower room. To the other side of the hallway is the lounge with a bay window to the front and wood flooring and double doors to the sitting/family area, in turn that is open to the dining area and stylish kitchen and utility, all of which have the benefit of under floor heating.

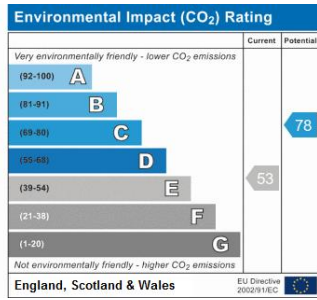

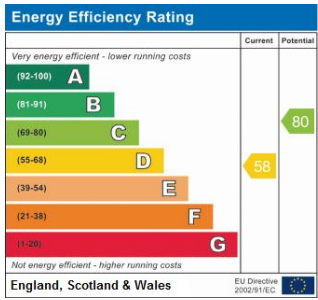

To the first floor there are three bedrooms two double and a good size single, these are serviced by a family bathroom with shower over the bath. There is still room for expansion to go into the loft to create another bedroom and ensuite bathroom, subject to planning consents.

Outside to the rear is a lovely garden with patio and laid to lawn, quite private as you back onto woodland.

To the front of the property is a brick paved driveway with parking for two cars.

Placed in central Chislehurst close to good schools and amenities, the High Street is just 0.4 of a mile, making this property a brilliant purchase for a family.
