

Looking to get your hands on one of the popular Edwardian Corbett houses? Then you must inspect this superb double fronted home!

Having undergone a complete renovation over the last 3-4 years, the current owners have successfully blended the old with the new with a bespoke fitted shaker style deVol kitchen, exquisite Villeroy & Boch bathroom and tasteful décor whilst highlighting the original features that remain.

The property itself would serve as an excellent family home with four bedrooms, three bathrooms, three reception rooms and well-tended, sunny Westerly facing family garden.

The location is ideal as well with Eltham Station (Zone 4) a stone's throw away (0.3 miles) and Eltham High Street which is currently undergoing a mass regeneration project only half a mile from the property.

Eltham has so much to offer from ancient woodland, three "outstanding" Ofsted rated schools, impressive parks and even a palace!

Call our Blackheath Village office to view on 0208 463 0091.
