A well maintained and spacious four bedroom detached house which has gas central heating and double glazing throughout. The property was constructed ten years ago in a Regency style that blends in with the existing houses in this popular residential road.

The recently redecorated accommodation comprises: Entrance hall, downstairs cloakroom, large 'L' shaped lounge and dining room, extensively fitted kitchen/breakfast room with integrated appliances, master bedroom with en-suite shower room, three further well proportioned bedrooms and a modern family bathroom.

The house stands on a corner plot with a 60' x 28' rear garden and a 36' x 20' side garden which offers the potential to extend if required. There is a good sized single garage to the rear of the plot with driveway parking for two cars. In addition to this is a further block-paved hardstanding to the front of the house which also provides off-road parking for two cars.

The property is within walking distance of the mainline railway station and the town centre with its excellent range of shopping and dining establishments.
