

£1,400,000

Architect designed in 1964 for a family who have lived here ever since this is the first opportunity to purchase this light, airy and spacious six bedroom detached house. The accommodation is flexible as part of the upstairs lends itself to being a granny flat or teenage studio.

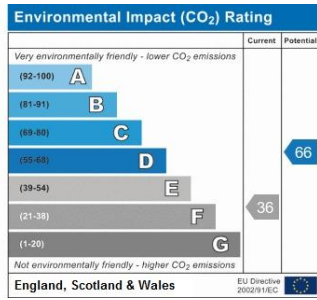

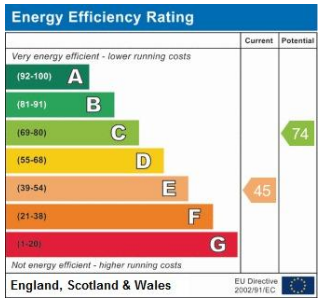

Features include a good sized lounge with separate dining room, a spacious fitted kitchen with utility room and access to the garage beyond. Five large bedrooms and a smaller sixth bedroom/study are all on the first floor along with the two bathrooms.

The house offers buyers huge potential as it requires a degree of refurbishment and could be further extended and altered subject to obtaining the usual consents.

The location is excellent. Raggleswood is a popular gated, no through road, close to Chislehurst common, station and local pubs and shops.

Early viewing of this end of chain property is highly recommended.
