

A beautifully presented detached house in a select gated close of four properties within a gated development.

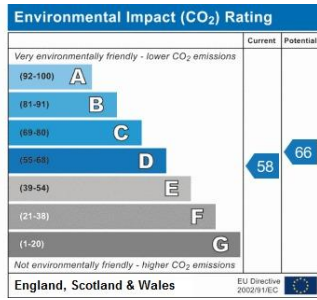

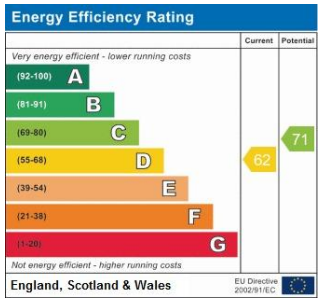

Upon entering the house you are greeted by a bright and spacious entrance hall with stairs ascending to a galleried landing and giving access to the principle rooms. Features worthy of note are the large kitchen breakfast room fitted with a range of Stoneham units in a walnut finish, the large lounge and separate dining room.

The first floor boasts five bedrooms with three modern bathrooms, two of which are ensuite. The master suite also has a dressing room.

The attractive landscaped garden has a southerly aspect, a good sized lawn and raised shrubbery to the rear which are low maintenance. There is a lawn to the front and a private drive which provides ample parking and access to the detached double garage with loft storage above.

The location is excellent being within half a mile of Chislehurst station and the local shops in Lower Camden, The highly regarded Bullers Wood school is just over half a mile away.
