
Description:

This landmark period building has been extensively and lovingly restored externally to its former glory with an amazing amount of attention to detail. The new double glazed sash windows also compliment the original design.

Internally this new 1 bedroom apartment has been created and finished to a wonderfully high standard. Solid oak flooring with under-floor heating is provided to the entrance hall with carpets to the living area and bedroom.

This spacious apartment also benefits from two separate storage areas and a south facing private balcony with feature lighting.

The modern kitchen includes fully integrated appliances (fridge/freezer, washer/dryer, slim-line dishwasher, electric oven and gas hob) and solid oak worktops with matching up-stands, both of which have been specially treated meaning no maintenance for the life of the oak. Feature lighting is also provided in all kitchens, with designer floor tiling and under floor heating included as standard.

A designer wet room with under floor heating also features in this swanky apartment.

Conveniently located, Blackheath train station and its village amenities are under a ten minute walk from the property. In addition the immediate parade offers a selection of shops and restaurants and Sainsbury's supermarket is also within the vicinity.
